Executive Summary

The 2022/23 Annual Report for the Shire of Chittering is presented to the Annual Meeting of Electors.

Background

The *Local Government Act 1995* requires a local government to prepare an Annual Report each financial year and to hold an Annual Electors Meeting.

The Annual Electors Meeting is to be held on a day selected by the local government, but not more than 56 days after the report is accepted by the local government.

The annual audit was undertaken by the Office of the Auditor General and signed off by the Director, Renuka Venkatraman.

The draft Annual Report was considered at the same time as the Audited Financial Statements at the Ordinary Council Meeting held 13 December 2023 along with the 2022/23 Annual Report which is inclusive of the concise audited financial report.

The Shire is striving to improve the quality of reporting. The content of the report has changed quite significantly from being a statutory document to a key marketing, reporting and communication tool and enables the Shire to communicate in an open, honest and transparent way on financial and business information to external and internal stakeholders. This annual report has been developed through extensive benchmarking with other award-winning local governments and the development of a new

template which was based on the criteria of the Australasian Reporting Awards (ARA). The ARA provides an opportunity for the Shire to benchmark its report against the ARA criteria, the Awards consider annual reports from across the globe, with the purpose being to improve the standards and quality of financial and business reporting. This Annual Report has been entered into the Australasian Reporting Awards (ARA).

The Annual Report is the primary vehicle for reporting on achievements against the Shire's strategic objectives as set out in the Shire's Strategic Community Plan and details achievements and performance against the 2022/23 commitments made in the Corporate Business Plan and Annual Operational Plan.

Consultation/Communication Implications
